STANDARRD HOMEOPATHIC MEDICINES -The agent of Humphrey's Homeopathie Specifics has received a very important addition to his list of Humphrey's Specific Homeopathic Remedies in the shape of Specific No. 34, which cures diptheria and ulcerated sore throat. These specifies have obtained a wide celebrity among the medical practitioners and are very largely used by them, being prompt, efficient, reliable and convenient. An extended advertisement in another column gives a list of the different species, the diseases which they remedy, and the prices. The cases for family use are especially worthy of attention, and also the new department of veternary specifies. The headquarters of Humphrey's Specific Homeopathic Medicine Co., is at 562 Brordway, New York.

loan of \$100,000,000. This report is utterly without foundation.

The resources and purposes of the Treasury Department were correctly stated in this course a few days ago. The Secretary of the Treasury has neither need nor intention to berrow any large amounts immediately. He has no authority to negotiate an additional loan of one hundred millions. There is still unissued twenty millions of the tea forty hear authorized by ions. There is still unissued twenty millions of the ten-forty loan, authorized by Congress, but it is not the intention of the Secretary to make use of this authority. There will be no loan placed upon the market until after Congressional action on the imancial question.

Affais have been remarkably quiet during the holidays, both at the Executive Mansion and in the departments.

There were a tew callers at the White House to-day, among whom were several Senators and Congressmen.

The pardon business appears to have waned considerably, and, consequently, the Executive Office is no longer throughd daily by repentant rebels.
